SCHOLARSHIPS

The Puget Sound section awards scholarships to students enrolled in weld programs at local colleges. The funds for these scholarships are from donations from members and other interested individuals, businesses or groups to train welders. If you would like to help welding students receive training/certification, please contact **Scholarship Chairman** – Steve Nielsen HM: (425) 259-3508 WK (425) 328-5661 E-MAIL: steven.t.nielsen@boeing.com or, The business office 425-226-7018, Leave message.

ENDOWMENT

The Puget Sound Section has established an endowment to provide funds for welding trades training in our area. The endowment is based on the model described in the Sept 2007 Welding Journal editorial authored by Ronald C. Pierce, Chair, Board of Trustees, AWS Foundation. The goal is to raise \$50,000 over 5 years. Further, the Board agreed to encourage our student chapters to set up endowments for their schools.

CERTIFIED WELDING INSPECTOR PROGRAM
